One (1) hour of hearing = approximately 60 pages of transcripts. (1/2 hour = 30 pages, etc.)

A motion for transcripts needs to be filed and then granted in order to receive the transcripts.

The motion should include:

1. Which hearing dates are needed
2. When they are needed (expedited? etc., determines the price)
3. Who is paying (State, Prosecutor, Client, etc.)

The only exception (motion not needed) is if an appeal was filed and the party (client) is paying for the transcripts.

WAYS TO PAY FOR TRANSCRIPTS: (Nothing is ordered until they are paid in full)

Cash, Check or money order made out to: **MIZANIN REPORTING SERVICE**

An **EXACT** price cannot be determined until the hearing is actually transcribed. Mizanin will refund any overpayment.
