

Military Family Discount Program

After a divorce or separation, families feel the strain of military deployments, relocations, and long-distance co-parenting. The OurFamilyWizard® website can provide military families with a way to stay connected, share information and keep everyone involved. In light of these unique challenges, OFW® provides subscriptions to military families at a greatly reduced rate.

Application Instructions

Please follow the instructions listed below when applying for an OurFamilyWizard® military discount. If you have any questions that are not answered by these instructions, please contact our customer support team at **(866) 755-9991** or **info@ourfamilywizard.com**.

- **Who can apply?** Veterans, active duty, and retired military are all eligible to apply for the OFW® military family discount. The parent with the military status must be the one to submit the application and must provide supporting documentation (such as a DD-214 or current orders) to verify their military status.
- **How does it work?** If one parent purchases their account, the other parent will receive a complimentary subscription equal in length. Either parent can be the one to purchase their subscription OR receive the complimentary subscription.
- **Contact Information:** Applicants must be able to complete all required contact information fields in the application in order for their submission to be processed. Please provide a phone number and/or email address for the co-parent. This information is required in order for OFW® to be able to connect parent accounts correctly.
- **Subscription Length:** If the applicant is the one to purchase the subscription, they must select a desired subscription length. Account options listed on this form include 5GB of storage space and Tonemeter™. If the applicant's co-parent has already purchased a subscription, the complimentary account will be matched to their co-parent's subscription length and details.
- **Payment Information:** **If the application is accepted, the credit card information provided in this step will be charged with the selected subscription option (plus any applicable tax).** If the applicant is requesting a complimentary subscription and their co-parent has already purchased their own subscription, please enter 'Co-Parent Purchased' in the Credit Card Number field and leave the rest of the billing information fields blank.
