Pursuant to RC 2151.356, you may be eligible to apply to have your case(s) sealed and expunged.

I. Definitions:

"Seal a record" means to remove a record from the main file of similar records and to secure it in a separate file that contains only sealed records accessible only to the juvenile court.

"Expunge" means to destroy, delete, and erase a record, as appropriate for the record's physical or electronic form or characteristic, so that the record is permanently irretrievable.

II. Sealing Procedure:

The juvenile court shall consider the sealing of records pertaining to a juvenile upon the court's own motion or upon the application of a person if the person has been adjudicated a delinquent child for committing an act other than a violation of section 2903.01, 2903.02 or 2907.02, of the Revised Code, an unruly child, or a juvenile traffic offender and if, at the time of the motion or application, the person is not under the jurisdiction of the court in relation to a complaint alleging the person to be a delinquent child. The motion or application may be made:

1. If the person is under eighteen (18) years of age, at any time after six months after the later of the following:

- (a) The termination of any order made by the court in relation to the adjudication;
- (b) The unconditional discharge of the person from the department of youth services with respect to a dispositional order made in relation to the adjudication or from an institution or facility to which the person was committed pursuant to a dispositional order made in relation to the adjudication.

2. If the person has obtained the age of eighteen (18), any time after the attainment of the age of eighteen (18) or the occurrence of one of the events in (a) or (b) above.

(2) In making the determination whether to seal records pursuant to division (C)(1) of this section, all of the following apply:

- (a) The court may require a person filing an application under division (C)(1) of this section to submit any relevant documentation to support the application.
- (b) The court may cause an investigation to be made to determine if the person who is the subject of the proceedings has been rehabilitated to a satisfactory degree.
- (c) The court shall promptly notify the prosecuting attorney of any proceedings to seal records initiated pursuant to division (C)(1) of this section.

(d)(i) The prosecuting attorney may file a response with the court within thirty days of receiving notice of the sealing proceedings.

(ii) If the prosecuting attorney does not file a response with the court or if the prosecuting attorney files a response but indicates that the prosecuting attorney does not object to the sealing of the records, the court may order the records of the person that are under consideration to be sealed without conducting a hearing on the motion or application. If the court decides in its discretion to conduct a hearing on the motion or application, the court shall conduct the hearing within thirty days after making that decision and shall give notice, by regular mail, of the date, time, and location of the hearing to the prosecuting attorney and to the person who is the subject of the records under consideration.

(iii) If the prosecuting attorney files a response with the court that indicates that the prosecuting attorney objects to the sealing of the records, the court shall conduct a hearing on the motion or application within thirty days after the court receives the response. The court shall give notice, by regular mail, of the date, time, and location of the hearing to the prosecuting attorney and to the person who is the subject of the records under consideration.

(e) After conducting a hearing in accordance with division (C)(2)(d) of this section or after due consideration when a hearing is not conducted, except as provided in division (B)(1)(c) of this section, the court may order the records of the person that are the subject of the motion or application to be sealed if it finds that the person has been rehabilitated to a satisfactory degree.
